Special Seminars

IPAT Asia Chapter received a Project Grant from Hong Kong Arts Development Council to hold an eight-week porcelain art seminar for secondary school students in March 2016. Our teachers, Corinna Siu, Lily Huang, Monique Leung and Vicky Yeo introduced the art of porcelain painting to these participants, arousing their interest to this art form and learnt to appreciate the art of porcelain painting. All participants completed three projects and took home proudly their finished artworks.

Teaching

Teachers of IPAT Asia Chapter continued another year of successful and rewarding teaching experience at Caritas Institute of Higher Education. Participants of the classes completed a variety of creative and innovative artwork. Teachers will continue to bring inspirations and skills to share with participants interested in learning the art of porcelain painting.

In Loving Memory

In April 2017, we sadly lost a dear teacher and friend, the talented Ms Diddy Yeung after a protracted illness. Diddy's creativity, skill and passion for art and for people was boundless. She shared these gifts and her love freely, and with joy, and the lives of the people she touched have been enriched beyond measure.
