

## Study Tours

Members of IPAT Asia Chapter went to Seoul, South Korea, to attend a special seminar with Esther Hwang last June. The members completed two projects over a four-day seminar. They also met new friends and had a chance to visit Heyri Art Village during the trip.

Fay Hsu taught porcelain painting in Penghu Prison, Taiwan, and held an exhibition to promote the porcelain artworks painted by the inmates. The proceed from the sales of the artworks (including those donated by local artists) were used to support their living. Dr Corinna Siu was invited to the Opening of this meaningful event.
