

Study Tours

Members of IPAT Asia Chapter visited the **2018 China Jingdezhen international Ceramic Fair** last October, and also learnt Chinese porcelain painting while in Jingdezhen (also known as Porcelain Capital in China) from local expert who taught both on-glaze and in-glaze techniques.

Exhibitions

In February 2019, members participated in the 5th T.O. Lee Porcelain Painting Group Exhibition, held at the City Hall. Artworks were exhibited along with pieces from both local and overseas Korean artists.

Seminars

IPAT Asia Chapter hosted a seminar on **Modern Techniques** by **Peter Faust** in January. Peter shared his knowledge and expertise in playing with lustre and gold, as well as modern design to create our own art pieces.

Special Events

IPAT Asia Chapter participated in a six-month programme to teach students of Caritas Mother Teresa School in 2018. The art pieces done by the students were eventually displayed at a mini exhibition during the Opening Ceremony and Open Day of the school and Caritas Mother Teresa Hall in early March this year.
